National Workshop

On

**Building Digital Libraries Using DSpace
(NWBDLUD)**

(December 18-22, 2017)

Organized by

**Madhu Limaye Library (University Library)
Dr. Ram Manohar Lohiya National Law
University, Lucknow**

In collaboration with

**Information and Library Network
(INFLIBNET)
Gandhinagar, Gujarat**

The Workshop:

Libraries around the world are getting modernized using the latest IT applications and digitization of local and non-copyrighted collections in Libraries and Information Centers is becoming one of latest and priority jobs. Digitization of books and textual documents is not just a mechanical job. Several applications are involved in the conversion of textual and pictorial documents into digital documents. This workshop is planned to support the growing interests of LIS professionals working in Libraries and Information Centers in Developing Digital Libraries using DSpace.

DSpace:

DSpace (<http://www.dspace.org>) is one of the most popular open source software available. It has been developed jointly by MIT Libraries and HP labs. DSpace incorporates digital asset management system and helps create, index and retrieve various forms of digital content. DSpace is adaptable to various needs of Libraries and Information Centers and maintains in-built interoperability programs for application between various systems. It adheres to international standards for metadata.

Objectives of the Workshop:

1. To provide background knowledge of the digital library and its related concepts
2. Give an in-depth understanding of DSpace software for the creation of institutional repository.
3. To offer hands on experience in using DSpace Software

Methodology:

The working sessions include lectures, demonstrations and hands-on practices. The Lab facilities are made available for practice to the participants during extended hours.

Target Group:

- LIS students/faculty members /professionals
- Preference will be given to those who are conversant with computer operations and have their personal laptops (with minimum 2 GB RAM).

Target Participants:

The number of participants shall be restricted to 30 only and the selection will be made on the basis of first-cum-first served.

Registration Fee:

Faculty Members & : Rs. 2500.00

LIS Professionals

Research Scholars & Students : Rs. 2000.00

(Registration Fee includes workshop kit, high tea, lunch and tea.)

Duration: December 18 to 22, 2017.

Accommodation:

Selected participants shall be provided lodging on prior request on payment basis in the guest house of the university. ***No travel allowance will be given to any participants.***

Venue :

Video Conferencing Hall, Madhu Limaye Library

RMLNLU:

Dr. Ram Manohar Lohiya National Law University was established by an Act of Govt. of Uttar Pradesh in 2005, U. P. Act No.28 of 2005 and came into being on 4th of January 2006 to meet up the new challenges in legal field. The university is keeping its pace by achieving its goals; To advance and disseminate learning and knowledge of law and legal processes and their role in national development; To develop in the student and research scholar a sense of responsibility to serve society in the field of law by developing skills; to make law and legal process efficient instrument of social development. It has been recognized by the Bar Council of India and the University Grants Commission.

Madhu Limaye Library:

Madhu Limaye Library is the central library of the university. It is state of the art library. The first floor is dedicated to the print resources along with reading areas whereas ground floor of the library is used for digital resources and their access. It has a very rich collection and provides its services to its users through high quality IT infrastructure. It is RFID equipped library. A well-equipped digital library and video conferencing facility gives ample of opportunities to the students to use internet resources. Madhu Limaye Library is the happening space of the university. Library is supporting pillar in academic activities of the university viz. seminar/conference/workshop/training programmes and other competitions. The facility for visually impaired is also available. Remote Access and Plagiarism check like services are been incorporated recently to make use of the e-resources.
